When it comes time to sell, choosing the auction firm that will realize for you the highest possible market price is the most important decision you will make. When you consign to Bowers and Merena, you consign to the most successful rare coin auction firm in American numismatic history!

- Of the top 10 world record prices for American coins, we hold seven: more than all our competitors combined.
- We have catalogued and sold the three most valuable United States coin collections ever to cross the auction block. Specifically, the record-breaking sales of the \$25,000,000 Garrett Collection, the \$20,000,000 Norweb Collection, and the \$12,400,000 Eliasberg Collection of U.S. Gold Coins, as well as the \$11,600,000 Louis E. Eliasberg, Sr., Collection, Part I, stand as landmark achievements. Add to this impressive list —The Norweb Collection of Canadian and Provincial Coins sold in November of 1996 and the final sale of The Louis E. Eliasberg, Sr., Collection to be sold in April of 1997.
- We have received more Numismatic Literary Guild honors and Professional Numismatists Guild honors for our publications than have all of our competitors combined!
- We have sold hundreds of millions of dollars worth of coins for over 10,000 collectors, dealers, museums, and other institutions. Our reputation for financial integrity is unsurpassed.

The finest (of only five known) 1913 Liberty Head nickels—the Eliasberg Collection coin—realized a world record

ATTENTION ALL COIN DEALERS... WHEELER DEALERS... AND COLLECTORS, TOO! THERE'S SOME MONEY WAITING FOR YOU IN CALIFORNIA

Spectrum Numismatics, the number one buyer of rare coins in this country, desperately needs your coins. Spectrum will do anything within reason to acquire those coins including:

Cash On The Spot! Last year we spent \$63,287,952 purchasing rare coins from dealers and collectors. A lot of people claim to pay top prices but Spectrum puts its money where its mouth is and we offer immediate payment.

Finder's Fees. If you bump into a deal and don't want to get involved, you can still make money by helping Spectrum purchase the deal. We pay extremely generous finder's fees to anyone who helps us buy coins. In 1996, Spectrum paid \$760,033.27 in finder's fees and commissions to other dealers.

Trades. We're willing to consider any reasonable trade that allows us to acquire the coins we need to satisfy our coin-hungry clients. If you'd like to trade your rare coins for bullion, other rare coins, or just about anything, there's a high probability that we can arrange a transaction that meets your needs.

Financing. Spectrum has money and needs coins. If you have coins and need money, Spectrum has numerous financing packages to help you.

DO IT FOR THE MONEY!

It's easy to do business with Spectrum.

All you have to do is pick up the phone any weekday between 9:00am and 5:00pm California time and call the Spectrum Cash Line 714-955-1250 collect. Ask for Greg or Thad and tell them you have coins for sale. TELL THEM YOU WANT TO TALK TO *THE KING OF CASH*.

USING YOUR 1997 NUMISMATIC DEALER DIRECTORY

Your 1997 NDD provides two ways to look-up coin dealers. The first section is a cross-referenced, alphabetical listing by last name or company name (CAPITALIZED listings). Personal names are followed by their state & company name. When the company name is the same as the numismatist's name, you will be able to locate them either way. For example, Julian M. Leidman will have two cross-references: 1) Under J, look for "JULIAN M. LEIDMAN" to find the company name, state, & telephone number; and 2) Under L, "Leidman, Julian M., MD, Julian M. Leidman" gives you his personal name, his state, his company name, and telephone number.

The second section is arranged by state, and therein alphabetically by *company* name (names such as *I-A Coin Co.* or *A&B Coin Co.* start each new state). If you know the state & *company* name, those listings contain the full mailing address and telephone numbers. When an individual's name is also the company name, **keep in mind that the listing will be alphabetical using the first name.** For example, the address of the *company* "Julian M. Leidman" can be found in Maryland under the first letter "J". Within the second section, we have highlighted our advertisers with blue ink. We encourage you to read all advertisements; they contain important information, and this directory would not be possible without their support. These leading dealers are sure that this directory will be one of your most useful numismatic tools. The advertising index will direct you to the various advertising categories. The cross-references in red ink will direct you to advertisements under related categories.

We hope that you find the 1997 Numismatic Dealer Directory to be a useful tool throughout the year. And please don't forget to send in any updated information as soon as possible. If you do not refresh your information, you may be deleted from future issues. Also, please delete any persons no longer employed by your company.

PUBLISHER'S STATEMENT OF COPYRIGHT & LIMITATION OF LIABILITY

Reproduction of any part of the 1997 Numismatic Dealer Directory without written permission of the Coin Dealer Newsletter is a violation of copyright law and is specifically prohibited. The CDN will strictly respond to any and all violations of the CDN copyright.

Every precaution has been taken to avoid errors and omissions in the 1997 Numismatic Dealer Directory, both in the directory listings and in the display advertisements. The Coin Dealer Newsletter expressly rejects any liability for errors in the listings due to incomplete, inaccurate, or omitted information. If you do not refresh your information by responding to our mailings, you may be deleted from future issues. The 1997 NDD listings have been updated to the best of our ability based upon your returned cards, plus the most recent public data available. If your name was removed from the 1997 NDD, you will need to submit a listing request form (found in the directory) to be reinstated in the database. If any listing is incorrect, please notify us as soon as possible so that we can update our files. This will also help you — should we receive an inquiry, we can provide the corrected information. Please send us one of the listing request forms whenever your information changes — and remember that many new telephone Area Codes are being created.

Every precaution has also been taken to correctly include all display advertising. Should any error have occurred, an advertiser is limited in recovering for any loss or omission to a pro-rata abatement of the charge paid for such advertising in the proportion that the error reduces the value of the entire advertisement. In no event shall such recovery exceed the amount paid to the Coin Dealer Newsletter. An advertiser can substantially avoid the risk of errors or omissions by submitting camera-ready copy, which we encourage for all display advertising.

Note to consumers: The 1997 Numismatic Dealer Directory has been prepared for the dealer community. As consumers, only you can decide what services or products best meet your needs. The inclusion of any dealer, either in the listings or advertisements, is *not* an endorsement of the individuals concerned, their companies, business practices, services, or products. Furthermore, you should be aware that advertisers are subject to various local, state, and federal laws and regulations; the enforcement of such laws and regulations is the responsibility of the appropriate agencies.

There's only one...

There's only one Steve...

There's only one Steve Ivy, and as one of America's most respected numismatists, he is easy to find - on the bourse or at Heritage. But when you need to mail to him as well as the more than 5,000 other numismatists in America, you will quickly discover that

There's only one source...

There's only one source for the most complete, most accurate, and most up-to-date listing of dealers in America, and that's the 1997 Numismatic Dealer Directory. Our current NDD list is available for rental, and at only \$325, is well below the price normally charged for specialized lists. When you want to mail to every dealer in the NDD (or just the dealers in California, or the Mid-Atlantic states), you will soon discover that

There's only one practical way to mail...

There's only one practical way to mail to every dealer in the NDD, and that's to buy labels from the source. Why? We know how long it takes to type 5,000+ labels, but even more important, our labels will be up-to-date. We know how many changes occur *after* the NDD is printed, because we update our database every day! You want your mailing to be delivered, because returned mail generates no profits. And you can choose between First-Class and Third-Class mailing rates. Contact us for details.

ATTENTION: COLLECTORS, INVESTORS AND DEALERS
Here Are 3 Questions For You To Consider:

TIRED OF A DIFFICULT COIN MARKET?

(Dropping Prices, Decreased Interest, Better Opportunities Elsewhere...)

WOULD YOU SELL YOUR COINS NOW IF YOU KNEW YOU WOULD BE TREATED FAIRLY?

Consider What Other Recent Sellers Have Said*...

Doctor: *It is my pleasure to most highly recommend Mr. Richard Nachbar as a person of the greatest integrity, honesty and courtesy of anyone with whom I have ever dealt. ...He did it with alacrity and honesty - more than anyone in my previous experience. He was quick, decisive and extremely knowledgeable. I cannot recommend him strongly enough.*

Trust Banker: *We received a bid of \$201,540 from the top regional firm, a bid of \$223,322 from the top national firm, and the high bid of \$282,155 from Mr. Nachbar. The high bid was 26% over the next highest bid... I found them to be extremely professional, friendly and easy to work with. I highly recommend their services...*

Lawyer: *... I sold my entire collection to Jack Hunt Rare Coins... Having been an attorney for over 20 years and having negotiated numerous deals on behalf of clients, it was refreshing to have the opportunity to deal with a totally honest and ethical firm for my own account. Mr. Nachbar offered the absolute top dollar for my collection... I can only say that I wish everyone with whom I dealt were as knowledgeable, honest, and reasonable as Mr. Nachbar and his company. Mr. Nachbar is the epitome of professionalism and I would recommend him strongly.*

**MAILING LIST RENTAL**

NEED TO MAIL

Need to contact America's leading numismatic dealers? Make your advertising and postage dollars count with America's best dealer listing. The company name and numismatist sections of the

1997 Numismatic Dealer Directory™

are available for rental. Since the Directory is fully copyrighted, this is your only source for this proven list of approximately 5,000+ current names and addresses. And **current** is a promise taken seriously - the data base is updated **daily**. All for only \$325 - well below the mailing industry standard of \$75/thousand.

To make this offer even more attractive, labels are available in both First Class - Zip Code order or Presorted for Third Class - Basic Bulk Rate mailings (you can save more than \$425 over First Class postage rates!). Need just one state or region? Need a trial sample? Contact us for details!

HIGH QUALITY NEWSLETTERS

Every Numismatic Library needs copies of the latest addition to the

COIN DEALER newsletter family of publications:

the Backsheet

Now that we have your attention, we really haven't started an additional newsletter — but your library should include **Back Issues** of our publications. Back issues are available two ways:

You can purchase small quantities to fill in missing issues, to obtain articles necessary for your research, or to follow your special interests. You may also combine your order for back issues of any of our publications to obtain the lowest price:

1-10 issues - \$2.50 each • 11-25 issues - \$2.00 each • 26 & over - \$1.50 each

Or, you can purchase *complete sets* of back issues for really dramatic savings:

Complete set of the weekly **Coin Dealer newsletter** (*Greysheet*)

from June 14, 1963 to December 20, 1996, now includes 1710 issues.

At \$1.50 each this would normally cost \$2,565 – but a complete set is only \$1650.

Complete set of the monthly **CDN Monthly Supplement**

would normally cost \$366 – but a complete set is only \$225.

Complete set of the **CDN Quarterlies**

from January 1992, to December 1996, now includes 60 issues. a complete set is only ... \$30.

Combined weekly **CDN, Monthly Supplement & Quarterlies**

now includes 2014 issues, and extra savings at only \$1825.

Complete set of the weekly **Certified Coin Dealer newsletter** (*Bluesheet*)

from August 22, 1986 to December 20, 1996, now includes 527 issues.

At \$1.50 each this would normally cost \$790.50 – but a complete set is only \$475.

Complete set of the monthly **Currency Dealer newsletter** (*Greensheet*)

from September 1980 to December 1996, now includes 196 issues.

At \$1.50 each this would normally cost \$294 – but a complete set is only \$200.

For the most complete numismatic pricing library possible, you may order a **COMPLETE** set of all of the Back Issues listed above for only \$2400.

The Greysheet

(as the Coin Dealer Newsletter is often called) has been the standard wholesale pricing-guide of the coin industry since 1963. It is an up-to-date reporting of dealer-to-dealer Bid/Ask prices on rare coins, from the earliest through the most recent issues. For 34 years we have given our subscribers the most comprehensive and unbiased report on the entire coin market, with all the facts necessary to make informed buying and selling decisions. The CDN is published weekly to enable you to keep pace with often dramatically changing price levels. Plus, your subscription includes FREE Monthly and Quarterly supplements. All coin dealers have discovered how invaluable the "Greysheet" is.

The Coin Dealer Newsletter

has been serving dealers for (please check):

___ 34 Years

___ 22 Years

___ 6 Years

If you checked all three choices, you are correct. The *Greysheet*, as most numismatists know, was started in 1963, and has been the market's leading (and only!) source of current, wholesale pricing information since then. Over the decades, the listings have been tremendously expanded and improved to provide subscribers with the most *accurate* market information that money can buy.

But the *Greysheet* is more than just the *weekly CDN*. The *CDN Monthly Supplement* has been an important part of our subscription package since 1976, with its monthly listings of so many important series by date. And starting in 1992, the *CDN Quarterly* now brings *CDN* subscribers full date, multiple-grade listings on every regular issue U.S. coin not already covered in the weekly and monthly issues. Imagine, every U.S. coin now receives our *independent, unbiased* attention, all so that you can make informed buying and selling decisions.

RARE GOLD

If you are a marketer of rare United States Gold coins and you do not receive my wholesale price list, you may be costing yourself money.

I'm one of the largest wholesalers of rare United States Gold coins in the world. I have over twenty years experience in wholesale gold coin sales.

Each week, I put out a "user-friendly" inventory list which contains over \$1 million of choice, fairly priced rare U.S. Gold coins.

I specialize in PCGS and NGC graded U.S. Gold coins struck from 1795 to 1900 in Very Fine to Mint State grades.

Comprehensive support material is available. I can increase your sales and make it easier for you to sell rare U.S. Gold coins.

Our financial resources are essentially unlimited. No matter how big your collection is, we can purchase it. We'll fly anywhere to view your coins and can wire funds to your bank or overnight you a check.
